

Surf Trip to Southern France, May 8–17, 2026

In May 2026, we are once again offering a surf trip for participants aged 23 and above. From May 8–17, 2026, we will be heading to the campsite *La Grigne* (Le Porge, Southern France). At this time of year, the French Atlantic coast offers consistent waves for both beginners and advanced surfers—and hopefully summer-like weather.

This trip is not an all-inclusive vacation, but a shared camping holiday that includes the following services:

- 7 nights in a mobile home in a twin room (May 9–16)
- Costs for the shared outbound and return journey in a 9-seater van, departure on May 8 around 6:00 p.m. from Coesfeld via Aachen; return journey on May 16 around 12:00 p.m. from Le Porge
- Breakfast, packed lunch, dinner, and beverages

For the additional activities (spikeball, game night, yoga, volleyball...), we rely on your initiative and look forward to lots of shared experiences. Your active help is also needed when preparing breakfast and dinner. This year, the rental of surfboards (softboards) is included in the price for the first time! Bringing your own wetsuit is highly recommended, but one can also be rented on site at your own expense. There will be a group surf briefing, and beginners can benefit from the surf experience of the group. You also have the option to book lessons at a local surf school at your own expense.

Transporting your own surfboards from Germany or arriving independently is only possible after prior arrangement with the trip organizers! Anyone traveling independently will receive a €50 discount on the trip price. Free pick-up from Bordeaux Airport (BOD) is possible upon arrangement.

- This registration is a non-binding expression of interest. As spots are limited, signing up does *not* guarantee participation!
- Entries to the list of interested participants are possible until January 31, 2026.
- After binding registration, a deposit of €150.00 per person is due. The remaining balance will be debited approximately 4 weeks before departure.
- We recommend taking out travel cancellation and accident insurance.
